

# WE ARE NATURE

The contest is inspired by the memory of Matteo Chiesa,  
a young photographer who **LOVED NATURE**  
and dreamt of **CONTRIBUTING TO ITS PROTECTION FROM NOWADAYS DANGERS**

## REGISTRATION

- The participation to the photographic contest WE ARE NATURE is open to all **YOUNG PEOPLE UP TO 21 Y/O**, living in Italy or abroad. In case of the participant being a minor, the organization requires whoever has parental responsibility to have authorized the participation, it being understood that the organization has the faculty to ask for a confirmation of said authorization. The participation **ENTAILS A MINIMUM DONATION OF € 10,00**, independently of the number of photographs sent (3 at most), to be deposited via bank transfer on the Marco Chiesa Association's account, IBAN IT82Y0538752720000042647735, with the reason «ISCRIZIONE CONCORSO FOTOGRAFICO NOI SIAMO LA NATURA» («Registration for photo contest WE ARE NATURE»), stating the name and surname, or the name of the school group/youth center. The payment advice must arrive together with the registration form in the end notes, via e-mail at [info@associazionematteochiesa.it](mailto:info@associazionematteochiesa.it) or by phone at **3487195511**.
- Participants **CAN JOIN WITH 3 PHOTOS AT MOST**, that must be **SENT BY AND NO LATER THAN 12pm** on **30th SEPTEMBER 2023** at the email address [info@associazionematteochiesa.it](mailto:info@associazionematteochiesa.it). The photographs must not have been already used to participate in other photo contests.
- Either colored or black and white photographs must be sent in jpeg format and in a size that is right for video or print reproduction in large sizes. Simple digital corrections are accepted (contrast, lighting, exposure, balance and cutting out). Photographs resulting altered or photocomposed (surreal effects that alter reality or photomontages) will be automatically eliminated with an unquestionable decision of the jury. Moreover, frames, borders and signatures will not be accepted. **IT'S POSSIBLE TO TAKE PHOTOGRAPHS WITH ANY MEANS** (reflex, smartphone, compact cameras, mirrorless, ecc.) The files must be renamed with the number and title specified by the author in the registration form. Example: N 1 «DO NOT LET IT HAPPEN».
- The winners will be informed via email or message by 25th October 2023; for this reason we ask to fill in the registration form in each of its parts.
- The jury will be composed of 2 members from each of the organizing associations, 1 member from the Cultural Pediatrician Association and 1 preference vote from each association contributing to the event.
- Part of the photos will be exhibited on 11th and 12th November 2023 at the «Sala Consiliare» of **SOTTO IL MONTE GIOVANNI XXIII TOWN HALL, WHERE ON 12th NOVEMBER, AT 2pm, THE AWARD CEREMONY WILL TAKE PLACE**. Then, they will be part of a traveling exhibit that will be held in the supporting municipalities, on dates that still have to be defined and will be communicated via e-mail or message in due time.
- Each participant declares to be the author and owner of the photos, and to have the consent of the subjects possibly depicted to use the photos. The organization is not to be held responsible in case of third parties claiming rights in regard to this point. The author of the photos is the sole responsible for their content; photographs that could damage the personal dignity, image or name of the organization or of any other subject are not accepted. The organization reserves the right to exclude, without notice, the participants who do not comply with the norms above.
- The author, despite remaining the owner of the photos that they have presented, authorizes from this moment on and without reserve the organization at the possible use of the photos sent, without claiming anything, for aims such as, for instance, public projections, photographic exhibits, publication on online websites, on social network or on other platforms, mentioning the author.
- Participation to the event entails the full acceptance of this regulation, without any exception, and the treatment of personal information under the DLgs196 of 30th June 2003 and under art. 13 GDPR (UE2016/679regulation) for the sole purpose of communications related to the contest.
